

## List of Resolutions of the 15th IARU Region 3 Conference

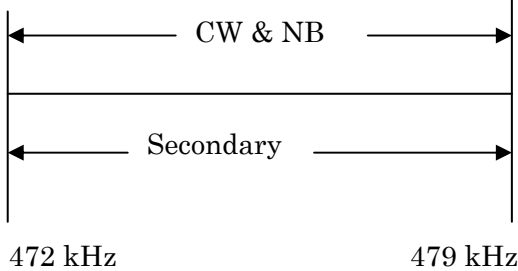

13 March 2013

Secretary, IARU Region 3

No. of Resolution	Resolution	Recommendation
Resolution 11-A/XV	That the Member Societies note the agenda items for WRC-15 affecting the amateur and amateur-satellite services and the actions required to prepare. Further that Member Societies work closely with their administrations/regulators to protect and improve our spectrum allocations; especially for agenda item 1.4 to achieve a Secondary allocation near 5 MHz.	WG-1-1
Resolution 11-B/XV	<p>That this Conference encourage the Member Societies to adhere to IARU Administrative Council Resolution 12-1, concerning the revised terms of reference for the IARU Monitoring System (MS), with particular regard to the following paragraphs:</p> <p>6. The AC encourages each Member Society to have a National MS Coordinator guiding a group of volunteers in the monitoring activities.</p> <p>7. Member Societies shall report details of the improper use of amateur bands by stations in their own country to their own national administration and take all steps possible to ensure that their administration acts to stop such improper use. Details of cases of established improper use of the amateur bands that cannot be resolved by the Member Society with its own administration shall be forwarded by the Member Society to its IARU MS Regional Coordinator.</p> <p>8. Member Societies and their National MS Coordinators are encouraged to report details of the improper use of amateur bands by stations in other countries to their own national administration so that their administration may raise the matter with the administration of the station concerned.</p>	WG-1-2

No. of Resolution	Resolution	Recommendation
Resolution 11-C/XV	That the Member Societies of Region 3 pay attention to the progress of studies by ITU with regard to Resolution 757 on agenda item 2.2 of WRC-18 (to consider the appropriate regulatory procedures for notifying satellite networks needed to facilitate the deployment and operation of nano- and pico-satellites, in accordance with Resolution 757 (WRC-12)) mentioned in Section 1 of Document 12/XV/027 (for Agenda 11.2.1 (WRC-15)) of this Conference.	WG-1-3
Resolution 11-D/XV	That the Director responsible for EMC be tasked with educating Member Societies with regard to the interference potential of Power Line Communications (PLC), LED lights, plasma TVs, photovoltaic systems, and similar sources.	WG-1-4
Resolution 11-E/XV	That Conference recommends that the Member Societies support the work of the Region 3 Newsletter Editor by sending the Editor timely news items.	WG-1-5
Resolution 11-F/XV	That the Directors be requested to consider the appointment of a volunteer webmaster with the objective of modernizing the Region 3 website.	WG-1-6
Resolution 11-G/XV	That the Member Societies of Region 3 should: (a) consider and discuss the issues identified in this Document 12/XV/048; and (b) respond to a questionnaire to be circulated by the Secretary of Region 3, with a list or table to be compiled, of the situation with respect to the regulations governing their country or territory; and (c) consider ways to work with their administrations and whether some external guidance and assistance may be required; and (d) consider ways for Member Societies to work together for mutual assistance	WG-1-7
Resolution 11-H/XV	a) That the Conference congratulate those Member Societies that have achieved the implementation of the changes to Article 25 in their countries; and b) That the Member Societies of Region 3 ensure that the regulations governing their country or territory do not inhibit the ability of amateurs to prepare for and provide emergency communications on behalf of third parties, particularly internationally.	WG-1-8 WG-2-6

No. of Resolution	Resolution	Recommendation
Resolution 12-A/XV	That Member Societies note the progress the AC has achieved to harmonise the Monitoring System activities across all regions and encourages the Monitoring System Committee to standardise reporting, information distribution and training arrangements.	WG-2-1
Resolution 12-B/XV	That Region 3 Societies encourage Administrations to permit amateurs within their countries to interconnect to the internet to facilitate intercommunication between other amateurs and particularly for emergency communications.	WG-2-2
Resolution 12-C/XV	That Conference accept the offer of Korea (KARL) to host the 9 <sup>th</sup> IARU Region 3 ARDF Championships in Korea in 2013.	WG-2-3
Resolution 12-D/XV	That Region 3 Award be promoted on the Member Societies websites as well as on the IARU Region 3 website.	WG-2-4
Resolution 12-E/XV	That Conference accepts the verbal offer of WIA to sponsor an annual award/ trophy in memory of the late Michael Owen, VK3KI, to be awarded to the highest Region 3 individual score in the annual IARU HF Contest, noting that WIA will fund and present a suitable trophy each year.	WG-2-5
Resolution 12-F/XV	That Member Societies note the documents submitted to the Conference on emergency communications and the desirability to establish working relationships with emergency services in other Societies in preparation for extreme emergencies.	WG-2-6
Resolution 12-G/XV	That Conference note the emergency response in Australia is a move away from the traditional role of amateurs as volunteers with their own equipment, to one of being trained as a communicator to make them suited and relevant in disaster response and relief. Conference note the development of emergency preparedness in China.	WG-2-6
Resolution 12-H/XV	That Conference acknowledge the educational value of continued technical development by individuals within the Amateur Services and recommend that Member Societies continue to encourage involvement by radio amateurs in the technical development aspect of the Amateur Services.	WG-2-7

No. of Resolution	Resolution	Recommendation
Resolution 12-I/XV	That Conference note the difficulties presented in certain countries in IARU Region 3, especially Japan, Korea, and the Philippines; by restrictions on the possession and operation of transmitters and receivers used in the Amateur Services and urges the removal of such restrictions.	WG-2-8
Resolution 12-J/XV	<p>That the Conference adopt a Band Plan for 472 – 479 kHz for CW and narrowband operation only.</p> 	WG-2-9
Resolution 12-K/XV	That the IARU Region 3 Band Plan legend be corrected for the <b>phone emissison bandwiths</b> from “less than 2 kHz” to “less than 6 kHz”.	WG-2-10
Resolution 12-L/XV	That Member Societies note the contribution that amateur radio can play in meeting communications needs during time of disasters and relief operations, particularly for non-Government organizations.	

No. of Resolution	Resolution	Recommendation
Resolution 13-A/XV	<p>That the subscription rate be increased by 20%. Any Society unable to comply may seek reduction for any specific fiscal year under Clause 24 of the Constitution. It is agreed that by special request to the Conference some Societies seek 10% instead of 20% increase of Subscription.</p> <p>1 to 5,000 (78 Yen per Transmitting member)  5,001 to 10,000 (48 Yen per Transmitting member)  10,001 and above (13 Yen per Transmitting member)</p> <p>With a minimum annual subscription fee of 2,800 Yen which should be payable in one installment for the three year sum.</p>	FC-1
Resolution 13-B/XV	That the Conference adopts the Draft Budget as proposed in <b>Document 12/XV/060</b> .	FC-2
Resolution 14-A/XV	That clause 27 of the IARU Region 3 Constitution be amended by substituting the word “six” (6) for the word “five” (5).	FC-3
Resolution 14-B/XV	That Clause 33 of the IARU Region 3 Constitution be amended by substituting “four” (4) for “three” (3).	
Resolution 14-C/XV	That the <b>effective date for the election</b> of six Directors shall be immediate, to include the forthcoming election.
